# PREFACE

*Editor in Chief*

Praise be to the presence of God for His blessing and guidance, *Arsitektura : Jurnal Ilmiah Arsitektur dan Lingkungan Binaan*, Study Program of Architecture Universitas Sebelas Maret Surakarta Indonesia, Volume 22 Issue 1 April 2024 can be published according to the planned schedule.

*Arsitektura : Jurnal Ilmiah Arsitektur dan Lingkungan Binaan* contains research articles in the field of architecture which includes research related to architectural engineering and science, social humanities, architectural design research, architectural education research and sustainable development focusing on the field of architecture. Over time, in 2022, *Architecture* developed until finally being internationally accredited at the Directory of Open Access Journal (DOAJ), precisely on April 26, 2022. Based on the Decree of the Ministry of Research, Technology and Higher Education of the Republic of Indonesia Number: 79/E/KPT/2023 regarding the results of the accreditation of scientific journals for the period of 1 of 2023 states that *Arsitektura* is an accredited national journal ranked 3 (Sinta 3) valid for 5 (five) years starting from Volume 20 Issue 2 of 2022 to Volume 25 Issue 1 of 2027.

*Arsitektura* Volume 22 Issue 1 April 2024, consisting of 15 (fifteen) titles of research articles in the field of architecture. The articles of this edition are written by several authors from universities in Indonesia. Published articles have themes according to the focus and scope of architecture. The articles are the result of research covering tourism development, cultural influences in the architecture, building science, structure and building engineering, presented very interestingly with various novelties obtained from research findings.

Finally, high appreciation and gratitude for the support from all leaders of the Study Program of Architecture and Faculty of Engineering Universitas Sebelas Maret in managing this journal. Also thank and give appreciation to the Reviewers, the Editorial Board, authors, colleagues, and all those who have supported and contributed.
