

## Patient Consent for Publication

The following information must be provided in order for this form to be processed accurately.

Patients have the right to refuse to sign this consent form; refusal to sign this form will not affect their care in any way.

- I hereby give my consent for images or other clinical information relating to my case to be reported in a medical publication.
- I understand that my name and initials will not be published and that efforts will be made to conceal my identity, but that anonymity cannot be guaranteed.
- I understand that the material may be published in a journal, Web site or other form of publication. As a result, I understand that the material may be seen by the general public.
- I understand that the material may be included in medical books.
