PREFACE

All praise and gratitude are due to Almighty God, whose blessings and grace have enabled us to complete the publication of the Agricultural Socio-Economic Empowerment and Agribusiness Journal (AGRISEMA), Vol. 5 No. 1, June 2026, smoothly. AGRISEMA is a journal that publishes research articles, reviews of previous studies, and scholarly ideas in the fields of agricultural socio-economics, agribusiness management, agribusiness development, agricultural policy, agribusiness community empowerment, and agribusiness sustainability.

We would like to express our sincere gratitude to all authors, reviewers, and editors who have contributed to the publication of Vol. 5 No. 1, June 2026. We also welcome readers and prospective authors to submit their scientific articles for the next issue, Vol. 5 No. 2, December 2026. Constructive criticism and suggestions are highly expected to improve the quality of our publication process. Thank you.

TABLE OF CONTENTS

Vol. 5, No. 1 Juni 2026
