

## TABLE OF CONTENTS

ALCHEMY Jurnal Penelitian Kimia Vol. 21 No. 2 September 2025

### *Review Articles*

---

#### **Antibacterial Activity of *Avicennia* Mangrove**

Yeni Mulyani, Yuniar Mulyani, Aisyah Aisyah 180–197

<https://dx.doi.org/10.20961/alchemy.21.2.100706.180-197>

---

#### ***Recovery Nutrien dari Efluen Digester Anaerobik Air Limbah Tahu dengan Presipitasi Struvite***

***(Nutrient Recovery from Tofu Wastewater Anaerobic Digester using Struvite Precipitation)***

198–223

Zulkarnaini Zulkarnaini, Fenisa Fauziyah Marshal, Puti Sri Komala, Aufa Aniq Rumzi, Dewi Nilawati, Widyarani Widyarani, Diana Rahayuning Wulan, Neni Sintawardani, Nicolaus Nezha Nunez Mahasti

<https://dx.doi.org/10.20961/alchemy.21.2.93205.198-223>

---

#### **The Synergistic Enhancement of Electromagnetic Interference Shielding Polymer Composites using Carbon Nanofiber-Metal Oxide Hybrid Fillers**

224–240

Dini Deviana Saputri, Teguh Endah Saraswati, Wijang Wisnu Raharjo

<https://dx.doi.org/10.20961/alchemy.21.2.97322.224-240>

---

### *Research Articles*

---

#### **The Effect of Maltose-Sucrose Weight Ratio in Lozenges of Bajakah Root Ethanolic Extract (*Spatholobus littoralis* Hassk.) on Their Flavonoid Total Release, Physical, and Sensory Properties**

Dian Eka Ermawati, Chaterine Turu' Padang, Sholichah Rohmani, Anif Nur Artanti 241–250

<https://dx.doi.org/10.20961/alchemy.21.2.95035.241-250>

---

#### **Pirolisis Kilat *Spirulina* Platensis Dengan Katalis Ni/Al-SBA-15**

***(Flash Pyrolysis of *Spirulina* Platensis with Ni/Al-SBA-15 Catalyst)***

Ade Putri Wahyuni, RR Dirgarini Julia Nurlianti Subagyono, Rahmat Gunawan, Veliyana Londong Allo, Maykel Manawan 251–263

<https://dx.doi.org/10.20961/alchemy.21.2.93245.251-263>
