employer representative

Rights of Authors

SAINS TANAH Journal of Soil Science and Agroclimatology recognize the retention of the following:

- Patent and trademark rights and rights to any process or procedure described in the article.
- The right to photocopy or make single electronic copies of the article for their own personal use, including for their own classroom use, or for the personal use of colleagues, provided the copies are not offered for sale and are not distributed in a systematic way outside of their employing institution (e.g. via an e-mail list or public file server). Posting of an article on a secure network (not accessible to the public) within the author's institution is permitted.
- The right, subsequent to publication, to use the article or any part thereof free of charge in a printed compilation of works of their own, such as collected writings or lecture notes.

Note: All copies, paper, electronic or other use, of the information must include an indication of SAINS TANAH Journal of Soil Science and Agroclimatology and a full citation of the journal source. Please refer requests for reprints to the corresponding author, and requests for all other uses not covered above, including the authorization of third parties to reproduce or otherwise use all or part of the article (including figures and tables) to: SAINS TANAH Journal of Soil Science and Agroclimatology

Authorship

- If the article was prepared jointly with other author(s), the signing author has informed the co-author(s) of the terms of this copyright transfer and is signing on their behalf as their agent and represents that he or she is authorized to do so, then please confirm by checking the appropriate box following the signature line. The signing author shall bear the responsibility for designating the co-author(s) and must inform SAINS TANAH Journal of Soil Science and Agroclimatology of any changes in authorship.
- If copyright is held by the employer, then the employer or an authorized representative of the employer must sign. If the author signs, it is understood that this is with the authorization of the employer and the employer's acceptance of the terms of the transfer. Please confirm by checking the appropriate box following the signature line.

The copyright form should be signed originally and sent as a supplementary file in the OJS.
